Characteristics

SPIRAL ELEVATOR AMBAFLEX SV 400 1300

Fantastic opportunity to acquire a fantastic market opportunity. The ambaflex Spiral Elevator is the multi-purpose spiral conveyor for medium to large sized products. It is ideal for handling secondary packaging products and boxes in logistics and is used for multiple functions, from lifting to accumulation.

The side roller system is simple and reliable, eliminating unnecessary controls and sensors. Continuous motion is the perfect solution for demanding situations with unstable products and high production speeds.
